

Enrolment Policy

Aims

- A. To accept and welcome families into the school community.
- B. To keep the school small enough to create a personalised and caring community, while having enough students to provide a peer group for all ages and for the school to remain financially viable.
- C. Ensure all relevant student information is collected at time of enrolment and kept up-to-date.

Scope and Application

This policy applies to:

- A. Employees.
- B. Students.
- C. Parents.

Definitions

‘Unjustifiable hardship’ - as defined in the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, is where an educator cannot carry out their obligation to provide reasonable adjustments for a child with a disability due to difficulty, risk to people’s safety or expense.

‘Reasonable adjustment’ - as defined in the Disability Standards for Education 2005, is a measure or action taken to assist a student with a disability to participate in education and training on the same basis as other students.

Principles

- A. In accordance with our belief in equity, non-discrimination and social justice, no student will be denied enrolment unless to enrol them would cause unjustifiable hardship (see definition) to the school community.
- B. The school collects and maintain records relating to students’ family, medical (including immunisation) and school history to enable the school to meet its legal obligations and to discharge its duty of care. Parents are responsible for ensuring that all pertinent information is kept up-to-date by promptly informing the school of any change in circumstances.

- C. A gender balance in each year level and class will be aimed for to ensure that a variety of social groups are available for students.
- D. When determining priority for enrolment, consideration is given to:
 - Date of application for enrolment
 - Spaces available in the school
 - Spaces available in specific classes
 - Gender, in order to achieve a balance in each year level
 - Students with siblings enrolled at the school
 - Connection with the school through a school community member
 - The student's and family's past relationship with the school
 - Students whose families believe in the aims and philosophy of Kerry Street and who are likely to become actively involved in the school community
 - Students likely to remain at the school for a significant time.
- E. Our maximum enrolment will not exceed Occupancy conditions.
- F. Overseas students are accepted if the term is under 3 months. If government funding is to be sought, appropriate visas will be sighted prior to enrolment. The family will be expected to pay an amount equivalent to any funding lost through their enrolment, in addition to school fees.
- G. The School may, in the absolute discretion of the School Board, suspend or expel any child from the School in accordance with the KSCS Behaviour Guidance Policy. If any child is expelled or suspended from the School, the School Board may in its absolute discretion decide whether or not there should be any adjustment to, or refund of, remaining School fees.
