

# Cait

Hi, I'm Cait. I am nine years old. My birthday is on 30<sup>th</sup> June and I was born in 1999.

I have a little sister and a little brother. I have a mum and a dad. I live in Willetton.

My best friend is Twi. My favourite food is fruit and salads. My favourite animal is a dog. My favourite sports are basketball and netball and ice skating.

My friends are Twi, Katie K, Katie G, Milla, Carnie, Harry and Will.

I was a water drop at the Fremantle Festival Parade and a tourist came up and took my picture. Kerry Street is a Waterwise school.

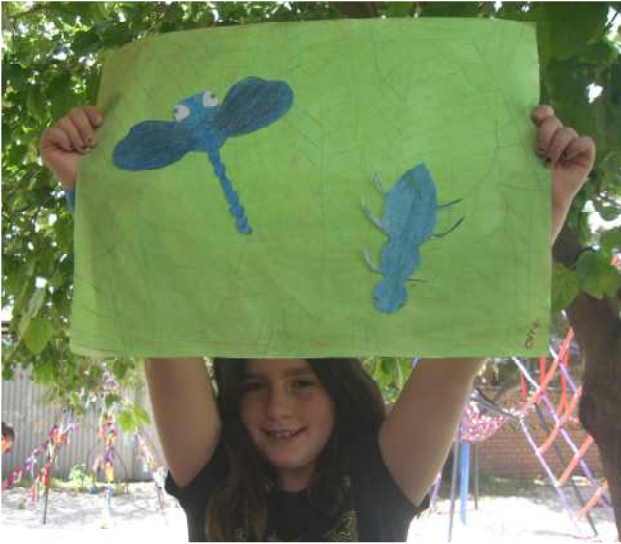

Stacey and Martin gave us special lessons on drumming to go to the Be Kids Community Fair.

It was so hot at the Hillaries camp. We went on a flying fox and did archery. We went to the beach and the best thing was The Great Escape.

For one of my pack up jobs, I was worm farm person. You have to blend old food scraps and shred paper for the worms to eat. You have to spray water and collect the worm wiz. Worm wiz is especially good as a natural fertilizer.

In art we had to have two sessions, one to make the background and one to make the little bugs.

One morning we played a game. There was someone out the front and they would call out a body part and you would have to put your finger wherever they said.

I like to spend time with Bingo, my dog. I am not strangling Bingo, don't worry.

Yummmmm. My flavour was low fat coffee and cream. I repeat, yummmmm.

This is my ungrouted mosaic.

Landsdale Farm was fun apart from getting sick and it was so hot. I didn't get to go to The Great Escape.
