

# Carnie

We went to Geraldine's class and we did an experiment (*spearimence*). We had to blow up the balloons. We tied up the balloons. We put the balloons underneath the table. We all stand on it. We popped the two balloons.

We went to Naragebup to hold the animals and look at the animals and feed the turtles and we played on the garden on the grass. We went to the beach after Naragebup.

Zelda bought her ducklings. She also brang her two mother ducks. We get to hold the ducks. We saw the ducklings in the water.

I like to eat strawberries.

We went to gym to play some dodge.

We went to Landsdale Farm School. We got to touch the pony and we got to ride on the pony. We saw lots of animals. We got to feed the animals. We went on the playground to play after feeding the ponies or the animals. We saw the parrots, the ducks, the chooks, the cows, the ponies, the sheeps, the pigs, the goats, the turkeys and the apacas.

We went to the zoo to see the animals; to see the lions, the crocodile, the penguins, the sun bear, the little baby sun bear; we saw gibbons, silvery gibbons, the baby gibbon; we saw the elephants, the giraffes, and we saw the spiders, the bats, the lizards and that's all I can remember.

This is Hannah, the sheep, and we had to draw the sheeps in a book.

This is the Little Red Hen. We had a play from Tom and I was the Little Red Hen.

I built a house for ships and we have a cannon and Cove made the ships. The end.

We went to Fremantle to go to the Festival. We all got ready to go.

We went to Manning Park with Liz. We played on the trucks.

We went to Manning Park with Liz and all of the kids. We went to build a boat.
