

# KATIE

This is me. I am seven years old, nearly turning eight.

I like jumping on my trampoline. I like making things, like drawings and making little dragonflies made out of spoons. My favourite food is pizza and chicken. The movies I like are Bratz and Ratatouille and I like The Simpsons. My favourite game is Snakes and Ladders. My other favourite game is Scarecrow. My friends are Milla and Katie K and there are so many more but I can't remember them all.

This is my favourite thing at school; me and Katie play on the bikes nearly every day.

This is me holding Zelda's duckling.

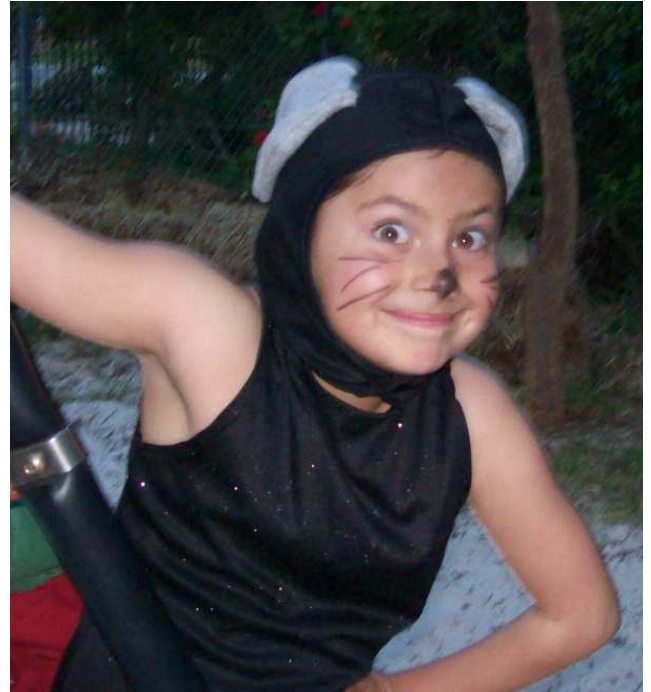

This is me. I am holding my sculpture of a pyramid. I made it by play dough and sticks, little tiny sticks.

This is me and Cait, spinning around. It is fun spinning around, leaning back and holding onto someone's hands. Sometimes I just spin around until I fall over.

This is me. I am holding my dog. I am showing her for pet week. Her name is Mishie. She is big and fluffy and she likes to run around the house a lot and wake us up in the mornings.

I am in my dog costume, getting ready for the concert. We did the play "How the Camel got his Hump".

This is Little Whiskers; he went to live with someone else. He is so cute.

At camp we went to The Great Escape and we saw the animals. I went on every single slide on my own. It was fun.

We went to Bibra Lake and learnt about swans.

Options Day was really fun because we got to make cookies and do felt work and make angels. I helped to make this felt picture.
