

# MICHAEL

My name is Michael and this year was my first full time year at Kerry Street, which I enjoyed so much that I don't ever want to leave! Some of the things I have really enjoyed at Kerry Street are:

- ♦ The homey, friendly environment
- ♦ The very patient teachers, especially Fran
- ♦ Doing yoga to relax
- ♦ Drama with Hardey and Fred
- ♦ The camp at Landsdale, especially sleeping on the floor and going to The Great Escape
- ♦ The many cool excursions we went on
- ♦ The year seven leavers' lunch at Sizzlers, especially the potato balls
- ♦ And last but not least the good friends and card dualists; I enjoyed these the most. Thanks for the games, guys, and for the many great memories.

I helped John write his father's day card.

I did it for art!

In our morning game we did all these games with pairs. Ben and I were trying to balance by leaning back.

It was really annoying trying to make a dragon. You had to make a paper fold three, just to start off, then the rest of the dragon was five pages long! The water bomb was cool, though. You blew it up with air and then put water in it and threw it and it ripped in half and water went everywhere.

Lily was an orphaned goat at Landsdale farm. This baby is lucky to have a mother. I am giving the mother some food.

At the parade I was dressed as a ninja.

Stacey and Martin taught us some rhythms to play at the Be Kids Community Fair and it was fun.

It was fun swimming at Fremantle pool.

Remember the monkey bat creatures?

**IT WAS  
ALL  
FUN...**
