

# Ullani

I was holding the ball with my feet.

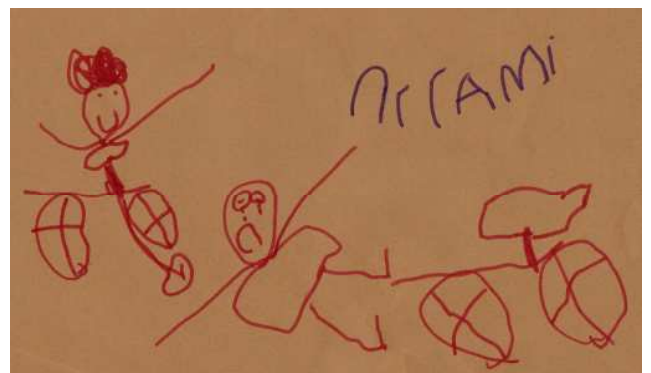

I was playing with my cards.

I was drawing a snake. I put diamonds on his back. I need to draw round and round and round and round.

I brought in this shell for news. I wanted them to listen because the sea is in there. When I go to the beach I am in the shell.

I'm happy when I ride my bike. I'm sad when I fall off and get hurt.

On Melbourne Cup day we made fancy hats.

I would like to go back to this park with my crown and that dress again.

This is me in my fairy costume (I did a wee in the bushes.)

I am helping my dad in the garden.

Max and I are sitting at the table.
